

R050F

920013-A
Cable 8m RG58C/U
with UHF male and FME female

Short description

Product group	Cables
---------------	--------

Electrical specifications

For Cable Type	
----------------	--

Nominal Impedance [Ohm]	50
-------------------------	----

Mechanical specifications

Attachment Method	
-------------------	--

Connector	FME-Male
-----------	----------

Connector Enclosed	
--------------------	--

Weight [kg/lbs]	0.40 / 0.90
-----------------	-------------

Size HxWxL [m]	x x 8.00
----------------	----------

Size HxWxL [ft]	x x 26.20
-----------------	-----------
