

## R040F

920014-A  
Cable 18m RG58C/U  
with UHF male and FME female

### Short description

Product group	Cables
---------------	--------

### Electrical specifications

For Cable Type	
----------------	--

Nominal Impedance [Ohm]	50
-------------------------	----

### Mechanical specifications

Attachment Method	
-------------------	--

Connector	FME-Male
-----------	----------

Connector Enclosed	
--------------------	--

Weight [kg/lbs]	0.80 / 1.80
-----------------	-------------

Size HxWxL [m]	x x 18.00
----------------	-----------

Size HxWxL [ft]	x x 59.10
-----------------	-----------
