900037-B

Universal deck mount. Chrome brass

1 1/4" 11TPI male.

This universal deck mount is delivered as a complete kit including EPDM rubber gasket for ingress protection and M6 x 50 mm bolts. The supplied bolts allow for a deck thickness of up to 36 mm. The mount is intended for applications where the coaxial cable is protected inside the mount and cable feeding through the deck. This mount is manufactured in premium quality materials in order to prevent galvanic corrosion. The mount is always subject for improvement. The mount has the same rugged design as all other AC Antennas products thus it withstands harsh environmental conditions, both on Sea and Land.
