

## N249F

900040-A

Rail mount for GPS antenna. PVC.

1" 14TPI male. Fits low 1" 14TPI ferrule antennas.

This is a generic and easy to use rail mount. It includes screws & nuts and has lateral RG58 cable feed. This mount is manufactured in premium quality materials in order to prevent galvanic corrosion. The mount is always subject for improvement. The mount has the same rugged design as all other AC Antennas products thus it withstands harsh environmental conditions, both on Sea and Land.
